General Statement

Dynamic Training UK Ltd recognises its duties under the Health and Safety at Work Act 1974 and will actively conduct its business efficiently and effectively whilst protecting the Health, Safety and Welfare of its staff, learners, clients, contractors and any other people that may be affected by its activities so as far as is reasonably practicable. We are fully committed to provide, maintain and seek continual improvement for a healthy and safe working environment in every area that the company undertakes its business.

Dynamic Training is committed to ensuring Health and Safety legislative compliance with all relevant Statutes, Regulations, and Codes of Practice and will ensure that Health, Safety and Welfare strategies are implemented where responsibilities are assigned, accepted and fulfilled at all levels within the Company

Dynamic Training will provide adequate resources to ensure the effective implementation of this Policy and recognises that Health and Safety objectives are as important as any other core business functions.

Dynamic Training will actively pursue progressive improvements in Health and Safety performance through the reduction of adverse health and safety incidents, reducing loss and liabilities by protecting its, staff, its learners and any other people that it has dealings with Dynamic Training considers all adverse safety events and illnesses are preventable: Our target is zero harm.

Dynamic Training is fully committed to the development of a strong and sustainable positive Health and Safety culture, in which Health and Safety is understood, accepted as a high priority and its foundations are based on open and honest shared beliefs, best practices, values and attitudes that are embedded within Dynamic Training UK Ltd

Staff, Learners, Partners Contractors and everyone else associated with Dynamic Training has a personal responsibility for their own Health and Safety, for others in the workplace and for the environment in which they work

There are clear procedures for action to be taken in the event of fire, bomb threats, first aid requirements and any other emergency situations and everyone within Dynamic Training will be made fully aware of them.

There is adequate information, instruction and training (including annual refresher training) provided to all staff.

Appropriate systems are developed and maintained to facilitate effective communication of Health and Safety information, including Meetings, Briefings, Notice board displays and Health & Safety emails.

Appropriate Health and Safety planning, monitoring, reviewing and auditing (incorporating risk assessments will be undertaken) on premises which are not operated by Dynamic Training but upon which learners undertake periods of work experience.

Annual assessments are undertaken for Health and Safety procedures, audits, workplace inspections, risk assessment reviews to ensure quality and validity and legislative compliance.

All accidents, incidents and near misses are reported and investigated, with the appropriate action taken to reduce the likelihood of re-occurrence by identifying any areas for improvement in the Health and Safety Management System. Dynamic Training are fully committed to undertake active and reactive monitoring and we will continually aim to reduce injury and illness to any person, or damage to equipment, property or the environment.

This Policy will apply to all premises operated by Dynamic Training including outreach facilities and will be reviewed on an annual basis. It will be issued, together with any revisions, to all employees of Dynamic Training and updated on the Dynamic Training.org.uk website
