

2018 Training Courses Overview

| Who we are

- Dynamic Training is a dedicated training company established in 2009. Based in the south east of England, working and trusted by large and small to medium enterprises in both the public and private sectors.
- We are apprenticeship and bespoke training specialists for the health, social care and business sectors. We have grown from strength to strength through recommendations and our reputation for providing high quality training, by an enthusiastic and committed team.
- With a head office ideally located in Uxbridge, Dynamic Training supports employers and learners throughout London, the Thames Valley and south east of England, covering Buckinghamshire, Berkshire, Hampshire, Hertfordshire, Middlesex, London, Greater London, Surrey, Essex, Kent, West Sussex, East Sussex and Oxfordshire.

| Why choose Dynamic Training?

We are experts in our field, we have a dedicated and experienced staff team who underpin our success. All of our team are occupationally competent practitioners in their own fields. Our quality speaks for itself, we have excellent achievement rates and have been recently graded Good at our Ofsted inspection.

We are a Health Education England preferred provider, an endorsed provider for Skills for Care, we have been awarded the Skills for Health Quality Mark and have been rated as a good provider by Ofsted.

Our commitment to you - we are continually reviewing and adapting in order to meet the needs of modern training delivery whilst ensuring we provide and maintain the high level of service our customers have come to expect from us. By focusing on good relationship management and the capacity to deliver consistent quality training, we create open, honest and trusting relationships with our customers.
