

Lead Adult Care Worker

 Level 3

20 Months On Programme
Including 3 Months EPA

Overview

As a Lead Adult Care Worker, you will not only provide essential support but also exercise discernment and take decisive actions to help individuals preserve their autonomy, dignity, and control.

The Lead Adult Care Worker apprenticeship is crafted for those who are passionate about making a significant impact on the lives of individuals facing a variety of challenges, from physical and practical to emotional and intellectual. It focuses on developing the skills necessary to deliver high-quality care and support while also providing leadership within the care setting. Through this programme, apprentices will gain the expertise required to not only meet but exceed the standards of care delivery, take on supervisory roles confidently, and make a meaningful difference in the lives of those they serve.

Upon Successful Completion Of The Programme:

- Lead Adult Care Apprenticeship – Pass or Distinction
- Achieve Level 3 Diploma in Care
- Meet the 15 standards as set out in the Care Certificate
- Achieve Level 2 English and maths (if not exempt)
