

Facilities Manager

Level 4

24 Months On Programme
Including 3 Months EPA

Overview

The Facilities Manager role is an advanced position within the organisational structure, requiring a comprehensive understanding of the multifaceted aspects of workplace management. As a vital cog in the wheel of organisational operations, a facilities manager ensures that the safety, security, and comfort of both property and personnel are upheld, aligning with health and safety regulations and other statutory requirements.

Our programme is finely tuned to the diverse duties of a facilities manager, focusing on the expansion of knowledge and the enhancement of skills and behaviours that are essential for professional growth. A strong emphasis is placed on the practical application of theoretical knowledge.

Upon Successful Completion Of The Programme:

- Apprenticeship in Facilities Manager - Pass, Merit or Distinction
- Institute of Workplace and Facilities Management (IWFM) accredited Level 4 Diploma in Facilities Management
- Level 2 English and maths (if not exempt)
