

# Adult Care Worker

 Level 2

15 Months On Programme  
Including 3 Months EPA

## Overview

Adult Care Workers are the frontline staff who help adults with care and support needs to achieve their personal goals and live as independently and safely as possible.

Working in a care home, a hospital, out in the community or visiting people at home.

The Adult Care Worker apprenticeship is a vital training pathway for those entering the care profession, providing the foundational skills and knowledge necessary to deliver compassionate and high-quality support to adults with various needs. On this programme, apprentices will learn how to assist individuals facing physical, social, emotional, or intellectual challenges, helping them to achieve their personal goals and maintain as much independence and safety as possible. The apprenticeship combines practical hands-on experience with theoretical learning.

### Upon Successful Completion Of The Programme:

- Adult Care Apprenticeship – Pass or Distinction
- Achieve Level 2 Diploma in Care
- Meet the 15 standards as set out in the Care Certificate
- Achieve Level 1 English and maths (if not exempt)
