

Healthcare Support Worker

 Level 2

15 Months On Programme
Including 3 Months EPA

Overview

Apprentices in this role are integral team members, supporting therapists, nurses, doctors, midwives, and other healthcare professionals. They are tasked with essential clinical duties that range from monitoring vital signs like blood pressure, temperature, or weight, to assisting patients with fundamental needs such as eating, dressing, or personal hygiene. This apprenticeship is not just about providing care; it is about preparing patients for health activities and ensuring their comfort and well-being throughout their healthcare journey.

The Healthcare Support Worker apprenticeship is designed for those with a passion for delivering high-quality and compassionate care within a healthcare setting.

Upon Successful Completion Of The Programme:

- Healthcare Support Worker Apprenticeship – Pass or Distinction
- Level 1 English and maths (if not exempt)

Learner Journey

Progression

Apprentices can progress onto the Level 3 Senior Healthcare Support Worker apprenticeship programme, choosing one of the 7 pathways available within this programme overview.
