

# Senior Healthcare Support Worker: Children & Young People Support

 Level 3

21 Months On Programme  
Including 3 Months EPA

## Overview

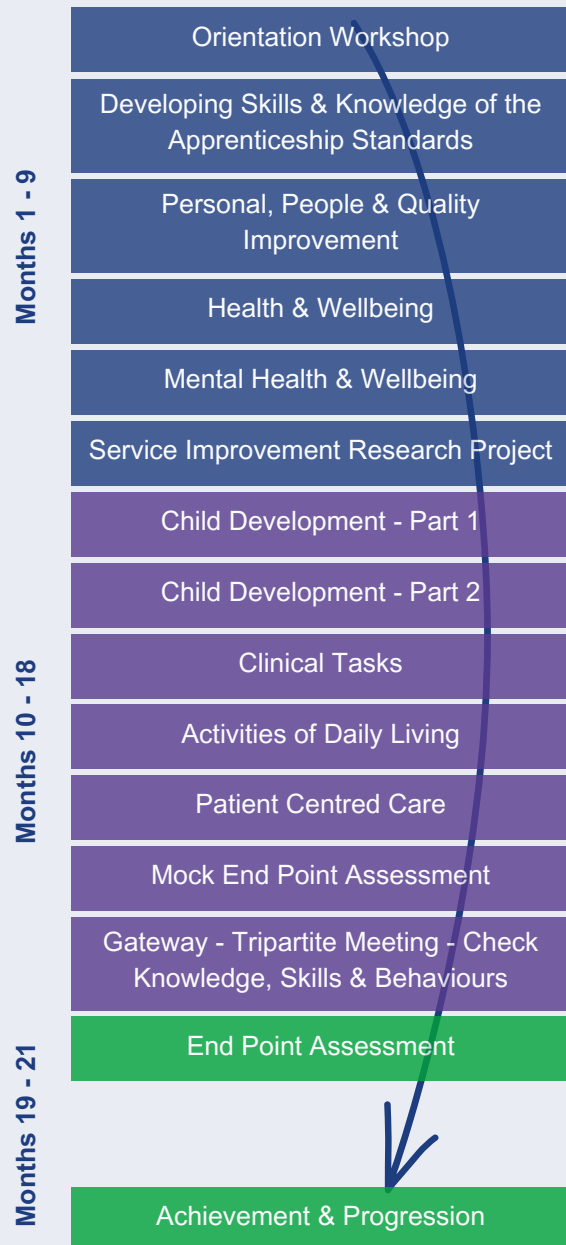

The Children and Young People Support Pathway Apprenticeship is an advanced training programme tailored for current healthcare staff who are committed to specialising in paediatric care. This apprenticeship offers a unique opportunity to refine apprentices' skills in nurturing and supporting the health needs of neonates, infants, children, and young people across various settings.

The programme is designed to enrich the apprentices understanding of paediatric healthcare needs and enhance their ability to support the developmental stages of younger patients. Apprentices will expand their professional skill set and contribute significantly to the holistic care and support of children and young people, paving the way for a rewarding career path in this vital healthcare sector.

## Upon Successful Completion Of The Programme:

- Senior Healthcare Support Worker Apprenticeship – Pass or Distinction
- Level 2 English and maths (if not exempt)
- Level 3 Diploma in Healthcare Support
