

Senior Healthcare Support Worker: Allied Health Therapy Support

 Level 3

21 Months On Programme
Including 3 Months EPA

Overview

The Allied Health Profession Therapy Support apprenticeship is a specialised programme aimed at staff within healthcare settings who are looking to enhance their capabilities in providing therapeutic support under the guidance of registered Allied Health Professionals (AHPs). This varied role covering clinical and therapeutic responsibilities that adapt to the unique needs of individuals facing illness, disability, or changes in life circumstances. The role is instrumental in helping people adapt and manage their conditions, whether through direct intervention or by educating and training carers and families.

Within the framework of the twelve recognised AHP professions, this apprenticeship focuses on developing skills primarily in therapeutic areas such as dietetics, occupational therapy, physiotherapy, podiatry, or speech and language therapy.

Upon Successful Completion Of The Programme:

- Senior Healthcare Support Worker Apprenticeship – Pass or Distinction
- Level 2 English and maths (if not exempt)
- Level 3 Diploma in Healthcare Support
